California Women's List Endorses Katrina Foley for Senate District 37

Los Angeles -- In December 2019, California Women's List (CWL) was proud to announce their endorsement of Cottie Petrie-Norris for Assembly District 74.

"People are shocked when I tell them that the California Legislature is only 32% women. And that only 166 women have served in the California Legislature...ever! I want to see more women at the table - at every level of government. I am grateful for the work of California's Women's List to support & elect women, and I am honored to have their endorsement." said Petrie-Norris

"California Women's List is thrilled to endorse Assemblymember Petrie-Norris again for re-election to the Assembly. She has been a crucial voice in Sacramento for women and families, advancing important education initiatives from early childhood to advanced education. As Chair of the Accountability and Administrative Review Committee, Petrie-Norris works to ensure that state government is working diligently for all Californians. We look forward to Cottie's continued service in Sacramento," said Emily Zahn, Board President of the California Women's List.

California Women's List is a Political Action Committee dedicated to fundraising for, supporting, and electing pro-choice, Democratic women to office in California. California Women's List is building a future of equal representation for women in our state government. California Women's List is committed to giving their endorsed candidates financial support, in addition to the tools that they need to fundraise and win in California.

To support the mission of equal representation in California government, California Women's List envisions empowering and organizing a robust network of donors who are actively engaged in fundraising and supporting pro-choice, Democratic, female candidates for office in California.
