California Women's List Endorses Jacqui Irwin for Assembly District 44

Los Angeles -- In December 2019, California Women's List (CWL) was proud to announce their endorsement of Jacqui Irwin for Assembly District 44.

"I'm honored to be endorsed by the California Women's List. A woman's seat at the table is never guaranteed and the support of groups that focus on electing women can have a tremendous impact in bringing forth quality candidates." said Irwin.

"We are proud to endorse Assemblymember Irwin again this election. Irwin has committed to serving women and families since beginning her public career. Irwin stood with her community after the Borderline shooting and worked hard to get her legislation passed to strengthen laws against gun violence. That is exactly the leader Assembly District 44 needs," said Emily Zahn, Board President of California Women's List.

California Women's List is a Political Action Committee dedicated to fundraising for, supporting, and electing pro-choice, Democratic women to office in California. California Women's List is building a future of equal representation for women in our state government. California Women's List is committed to giving their endorsed candidates financial support, in addition to the tools that they need to fundraise and win in California.

To support the mission of equal representation in California government, California Women's List envisions empowering and organizing a robust network of donors who are actively engaged in fundraising and supporting pro-choice, Democratic, female candidates for office in California.
