### **California Women's List Endorses Katrina Foley for Senate District 37**

Los Angeles -- On December 10th, California Women's List (CWL) announced their endorsement of Katrina Foley for Senate District 37.

"Since college I've fought for equality for women on our school campuses, in the workplace, at city hall and in the boardroom," said Foley. "In my 23 year career as an employee rights attorney, I've protected women from harassment, pregnancy discrimination, and retaliation in the workplace. I'm honored by the support of the California Women's List organization."

"Mayor Katrina Foley has spent her entire life empowering women. Whether as an attorney advocating for victims of sexual harassment and discrimination or serving on four county-wide Women-led non-profit boards: The Girl Scouts of America, the Orange County Women Lawyers Association, Planned Parenthood, and Women In Leadership, she has gone above and beyond improving the lives of women of all ages in Orange County. The California Women's List eagerly anticipates what she'll accomplish next to further women's equality across the state of California. We are proud to endorse her," has said Emily Zahn, Board President of the California Women's List.

California Women's List is a Political Action Committee dedicated to fundraising for, supporting, and electing pro-choice, Democratic women to office in California. California Women's List is building a future of equal representation for women in our state government. California Women's List is committed to giving their endorsed candidates financial support, in addition to the tools that they need to fundraise and win in California.

To support the mission of equal representation in California government, California Women's List envisions empowering and organizing a robust network of donors who are actively engaged in fundraising and supporting pro-choice, Democratic, female candidates for office in California.
