### **California Women's List Endorses Sarah Davis for Assembly District 78**

Los Angeles -- California Women's List (CWL) is proud to announce their endorsement of Sarah Davis for Assembly District 78 .

"California needs women legislators for a safe and fair COVID-19 recovery. I am honored that California Women's List has chosen to help elect me - a healthcare provider and a mom - to represent the 78th district," said Davis.

"We are proud to endorse Sarah Davis for Assembly District 78. As a native San Diegen, a mother, a health care provider, and a small business owner, Sarah understands the complexities of what families in her community need during these challenging times. As a midwife, Sarah has served on the board of directors of the California Association of Midwives where she was able advocate for access to midwife services for all Californians regardless of income. We look forward to seeing Sarah continue this advocacy when she joins the California legislature," stated Simi Sardana, Board Member of California Women's List.

California Women's List is a Political Action Committee dedicated to fundraising for, supporting, and electing pro-choice, Democratic women to office in California. California Women's List is building a future of equal representation for women in our state government. California Women's List is committed to giving their endorsed candidates financial support, in addition to the tools that they need to fundraise and win in California.

To support the mission of equal representation in California government, California Women's List envisions empowering and organizing a robust network of donors who are actively engaged in fundraising and supporting pro-choice, Democratic, female candidates for office in California.
