California Women's List Endorses Susan Eggman for Senate District 5

Los Angeles -- In December 2019, California Women's List (CWL) was proud to announce their endorsement of Susan Eggman for Senate District 5.

"I am deeply honored to have the endorsement of California Women's List," said Eggman. "Women are on the frontlines of bringing equity and balance to our state government. With 2020 elections approaching, I am determined to get more women elected and with our shared mission and collective action, we will."

"A Central Valley native, veteran, and community advocate, Assemblymember Eggman has been a crucial voice for Californians in Sacramento. Eggman has devoted herself to protecting farmers as Chair of the Agricultural Committee, safeguarding California's environment and resources, and strengthening California's economy. She has championed legislation to close the gender pay gap and we look forward to her continued leadership uplifting underrepresented voices in the State Senate," said Kaori Nagase, Treasurer of California Women's List.

California Women's List is a Political Action Committee dedicated to fundraising for, supporting, and electing pro-choice, Democratic women to office in California. California Women's List is building a future of equal representation for women in our state government. California Women's List is committed to giving their endorsed candidates financial support, in addition to the tools that they need to fundraise and win in California.

To support the mission of equal representation in California government, California Women's List envisions empowering and organizing a robust network of donors who are actively engaged in fundraising and supporting pro-choice, Democratic, female candidates for office in California.
