California Women's List Endorses Lena Gonzalez for Senate

Long Beach -- Today, California Women's List (CWL) announced their endorsement of Lena Gonzalez for Senate District 33. Gonzalez has advocated fiercely to create economic opportunities for all families and she is dedicated to promoting quality education, protecting the environment, and attracting innovation to her community.

"I am so pleased to be endorsed by California Women's List," said Gonzalez. "As State Senator, I will stand up for women's health and their well-being. I will be a champion for choice, access to reproductive and preventative healthcare, and other issues that matter to women and girls."

"As City Council Member for Long Beach, Gonzalez worked tirelessly to ensure the right of hotel workers to organize and collectively bargain in Long Beach hotels was realized. She also advocated to provide workplace protections against sexual harassment. These issues largely impact women in the workforce and California Women's List knows Gonzalez will continue to advocate for a safe and equitable work environment for women," said Emily Zahn, Board President of California Women's List. "We are proud to endorse Gonzalez and eager to see what she achieves for Senate District 33 and women statewide."

California Women's List is a Political Action Committee dedicated to fundraising for, supporting, and electing pro-choice, Democratic women to office in California. We are building a future of equal and equitable representation for women in our state government by giving endorsed candidates financial support and the tools they need to fundraise and win in California.
