### **California Women's List Endorses Sydney Kamlager-Dove for Assembly District 54**

Los Angeles -- In December 2019, California Women's List (CWL) was proud to announce their endorsement of Sydney Kamlager-Dove for Assembly District 54.

"I'm proud that my record fighting for women's health and reproductive rights has earned me the endorsement of California Women's List, one of our state's preeminent organizations that supports pro-choice women. Now more than ever we need to vigilantly stand up for women's rights, because we are facing a hostile Supreme Court and White House." said Kamlager-Dove.

"As a member of the Women's Caucus and Select Committee on Women's Reproductive Health, Kamlager is exactly the public servant California Women's List is proud to support. Kamlager fights for access to comprehensive reproductive health care. She is also focused on pay equity and dignity in the workplace for women, and protecting all Californians against discrimination. Kamlager is the best candidate for Assembly District 54." said Emily Zahn, Board President of the California Women's List.

California Women's List is a Political Action Committee dedicated to fundraising for, supporting, and electing pro-choice, Democratic women to office in California. California Women's List is building a future of equal representation for women in our state government. California Women's List is committed to giving their endorsed candidates financial support, in addition to the tools that they need to fundraise and win in California.

To support the mission of equal representation in California government, California Women's List envisions empowering and organizing a robust network of donors who are actively engaged in fundraising and supporting pro-choice, Democratic, female candidates for office in California.
