

## California Women's List Endorses Sydney Kamlager for State Senate District 30

Los Angeles, December 2020 — California Women's List (CWL) is proud to announce its endorsement of Sydney Kamlager for State Senate District 30.

"Assemblywoman Kamlager is a fierce advocate for equal rights, fighting to lift up women and marginalized communities," said Emily Zahn, Board President of the California Women's List. "She created California's first Assembly Select Committee on Incarcerated Women to support the health and dignity of women behind bars. And she has authored groundbreaking legislation—from requiring implicit bias training for law enforcement and medical personnel to prohibiting insurers from imposing a copay for abortions. I look forward to working with her to grow opportunities for women and our equality before the law."

Upon receiving the CWL endorsement, Kamlager said, "Our current State Senate is only 36% women, and that has to change. All over the country, women are entering and moving up in politics. Our numbers are growing fast because our time is now. Women lawmakers are needed to push forward fair, equitable policy that gets us closer to balancing the scales in this country. I stand with California Women's List in the fight to secure equal pay, equal treatment in all aspects of our lives, and reproductive freedom for once and for all."

California Women's List is a Political Action Committee dedicated to fundraising for, supporting, and electing pro-choice, Democratic women to office in California.
