California Women's List Endorses Rebecca Bauer-Kahan for Assembly District 16

Los Angeles -- In December 2019, California Women's List (CWL) was proud to announce their endorsement of Rebecca Bauer-Kahan for Assembly District 16.

"It's important that we work to elect more women to public office who will work towards equality, women's health and more. I'm proud to work with California Women's List to empower women leaders across the state and strive for fair representation in the legislature." said Bauer-Kahan.

"Before joining the assembly, Bauer-Kahan was an environmental advocate and ensured that large corporations adhered to environmental law through her law practice. She also coordinated legal services at SFO to assist refugees and immigrants who were impacted by the Trump Administration's travel ban. Since joining the assembly, Bauer-Kahan has continued her advocacy through policies that expand gun control and protect children. We are thrilled to be able to support Assemblymember Bauer-Kahan in her re-election." said Jing Qu, Board Member of the California Women's List.

California Women's List is a Political Action Committee dedicated to fundraising for, supporting, and electing pro-choice, Democratic women to office in California. California Women's List is building a future of equal representation for women in our state government. California Women's List is committed to giving their endorsed candidates financial support, in addition to the tools that they need to fundraise and win in California.

To support the mission of equal representation in California government, California Women's List envisions empowering and organizing a robust network of donors who are actively engaged in fundraising and supporting pro-choice, Democratic, female candidates for office in California.
