California Women's List Endorses Asm. Monique Lmon for Senate District 19

Los Angeles -- In December 2019, California Women's List (CWL) was proud to announce their endorsement of Asm. Monique Lmon for Senate District 19.

"I am honored to have the endorsement of California's Women's List and to be included among a pool of state women leaders who will continue to be champions for women, families, and reproductive health in our communities," said Lmon.

"Asm. Lmon has led and won victories to improve climate resilience and fire prevention, increase prescription drug transparency, and defend investments in our state's public higher education. The Assemblymember's position as Vice Chair of the Legislative Women's Caucus and her background as a native of Senate District 19 make her the best choice for this seat, and we are proud to support her candidacy for State Senate," said Kaori Nagase, Treasurer of California Women's List.

California Women's List is a Political Action Committee dedicated to fundraising for, supporting, and electing pro-choice, Democratic women to office in California. California Women's List is building a future of equal representation for women in our state government. California Women's List is committed to giving their endorsed candidates financial support, in addition to the tools that they need to fundraise and win in California.

To support the mission of equal representation in California government, California Women's List envisions empowering and organizing a robust network of donors who are actively engaged in fundraising and supporting pro-choice, Democratic, female candidates for office in California.
