### **California Women's List Endorses Tasha Boerner Horvath for Assembly District 76**

Los Angeles -- In December 2019, California Women's List (CWL) was proud to announce their endorsement of Tasha Boerner Horvath for Assembly District 76.

"I am so honored to have the support of California Women's List in my reelection to the State Assembly," said Boerner Horvath. "In my first term in office, I was proud to advance legislation to increase women's political representation in local government and achieve pay equity for female athletes in California. This year, the work carries on as we fight the federal government's attacks on our reproductive freedom and continue taking steps toward true equality for women in every aspect of our daily lives. Thank you to California Women's List for everything you do to empower female candidates statewide!"

"We are thrilled to endorse Assemblymember Boerner Horvath again for re-election to the Assembly. She has authored critical legislation to combat the gender tax on services and to increase the representation of women on local public boards and commissions. We are grateful for all of the work she has done on behalf of women in California, and we look forward to her continued service in Sacramento," said Simi Sardana, Board Member of California Women's List.

California Women's List is a Political Action Committee dedicated to fundraising for, supporting, and electing pro-choice, Democratic women to office in California. California Women's List is building a future of equal representation for women in our state government. California Women's List is committed to giving their endorsed candidates financial support, in addition to the tools that they need to fundraise and win in California.

To support the mission of equal representation in California government, California Women's List envisions empowering and organizing a robust network of donors who are actively engaged in fundraising and supporting pro-choice, Democratic, female candidates for office in California.
