### **California Women's List Endorses Buffy Wicks for Assembly District 15**

Los Angeles -- In December 2019, California Women's List (CWL) was proud to announce their endorsement of Buffy Wicks for Assembly District 15.

"I'm honored to be among the incredible slate of women endorsed by California Women's List in 2020," said Wicks. "Like all of these women, I'm committed to the fight for gender representation and parity in our communities. It's time for women's voices to resound throughout the rooms where decisions are made about our bodies, lives, and families."

"We are proud to endorse Assemblymember Wicks for her ongoing focus on policies that protect working families, women's rights, and children. In her short time in the assembly she has sponsored bills that protect LGBTQ+ rights, expand gun control, and advocate for children. She is a crucial member of our state legislature and we are happy to support her re-election," said Emily Zahn, Board President of the California Women's List.

California Women's List is a Political Action Committee dedicated to fundraising for, supporting, and electing pro-choice, Democratic women to office in California. California Women's List is building a future of equal representation for women in our state government. California Women's List is committed to giving their endorsed candidates financial support, in addition to the tools that they need to fundraise and win in California.

To support the mission of equal representation in California government, California Women's List envisions empowering and organizing a robust network of donors who are actively engaged in fundraising and supporting pro-choice, Democratic, female candidates for office in California.
